AIRPORT

**GENERAL CAR PARK (UNSECURED) – TERMS AND
CONDITIONS**

Katowice Airport in Pyrzowice

www.katowice-airport.com

§1

The grounds of the car park form an integral part of Katowice Airport in Pyrzowice - ul. Wolności 90 Pyrzowicach, 42-625 Ożarowice.

§2

The Unsecured Car Park, hereinafter referred to as the Car Park, is managed by the Upper Silesian Aviation Group (hereinafter referred to as GTL) with its registered office in Katowice. Address for correspondence: Katowice Airport in Pyrzowice, ul. Wolności 90, 42-625 Ożarowice.

§3

1. A contract regarding the usage of a car space is entered into upon a given vehicle being received into the Car Park.
2. A vehicle user, upon entering the car park, expresses agreement and agrees to adhere to the terms and conditions bound within this document.

§4

1. The Car Park is not secure and parking tariffs apply.
2. GTL accepts no liability with respect to any loss, destruction, damage or theft of, or from, the vehicle or the vehicle's contents.

§5

1. Parking jest czynny przez wszystkie dni w roku.
2. Vehicles transporting flammable, caustic, explosive or other hazardous materials are prohibited from entering the Car Park without the transported hazardous materials being stowed or secured in accordance with legally binding regulations.

§6

1. A speed limit of 10km/hr applies to grounds of the Car Park. All access and internal roads, as well as the area bound by the Car Park are subject to road and traffic regulations (as per Journal of Laws 2005, No. 108, item 908), including subsequent modifications.
2. Vehicle users are required to adhere to and abide by: all vertical and horizontal road traffic signs, the instructions of Car Park staff and other authorised personnel (Airport Security, Police, Border Control Officers).

§ 7

Upon entering the Car Park, users are required to:

- a. stop at the ticket issuing device or magnetic card reader before the boom gate,
- b. initiate the boom gate by accepting a parking ticket or by placing a magnetic card to the reader,
- c. remain aware of the fact that the boom gate closes immediately after each vehicle passing under it. Any attempt of more than one vehicle simultaneously passing under the boom gate is likely to result in extensive damage to both the vehicle and the automatic car park operating system.

§ 8

1. Upon leaving the Car Park, users are required to:
 - a. stop at the ticket issuing device or magnetic card reader before the boom gate,
 - b. stop at the boom gate at the ticket booth or magnetic card reader,
 - c. provide payment to the ticket-booth operator, or at the parking payment machines within the Passenger Terminal. The magnetic card reader raises the gate automatically once the card is placed to the reader,
 - d. remain aware of the fact that the boom gate closes immediately after the passing of each and every vehicle.
2. Any attempt of more than one vehicle simultaneously passing under the boom gate is likely to result in extensive damage to both the vehicle and the automatic car park operating system.

§ 9

1. Parking charges apply in accordance with the list of charges attached (Attachment 1) to the present document. (All quoted tariffs and charges include tax).
2. Loss of parking ticket will result in a flat fee rate of 250PLN (two hundred and fifty PLN) being charged.

§ 10

The list of parking charges and the parking terms and conditions are available from Car Park staff. The list of parking charges is also available upon entry into the Car Park and at www.katowice-airport.com

§11

Additional security measures, in the form of wheel clamps, are available to vehicles left at the Car Park for a minimum of 24 hours. These additional security measures must, however, be clearly requested by the car park user. A fee of 25PLN applies.

§12

Should the automatic car park operating system be damaged, operators are required to notify both their supervisor and the service centre. Staff will manually perform all monetary transactions and issue receipts.

§13

GTL staff and the staff of companies using office and retail space at Katowice International Airport in Pyrzowice, must use the staff car park. Should staff use the general Car Park, normal tariffs will apply in accordance with § 15 of this document.

§14

1. The Car Park includes dedicated parking spaces for:
 - a. Coaches and minibuses,
 - b. Taxi,
 - c. Rent a car,
 - d. shuttle transport operators
 - e. Vehicles of disabled people,
 - f. Public transport buses.
 - g. GTL fleet vehicles
2. Car Park spaces for vehicle groups in item 1. are clearly marked.
3. VIP card-holders may use any available general Car Park space, with the exception of those listed in 1. as well as those defined in § 17.
4. Vehicle users listed in item 1. of this section, who provide transport for payment are required to respect the instructions of GTL officers and are obliged to pay close attention to the aesthetics of their position, as well as promoting the good image of Katowice Airport in Pyrzowice.

§15

1. The following vehicles are exempt from parking charges:
 - a. vehicles using the car park up to 5 minutes from the moment of entering the grounds of the Car Park,
 - b. vehicles exempt on the basis of contracted agreements with GTL,
 - c. Emergency services responding to an emergency ,

- d. government security services (Police, Home Security etc) on official business
- e. members of Parliament with valid parliamentary identification,
- f. timetabled public buses travelling
- g. VIP cardholders – as per the terms and conditions governing Premium cardholders (att.2)

Disabled persons in possession of a valid disabled parking permit and using the car park up to 30 minutes from the moment of entering the grounds of the Car Park. Should this vehicle remain in the Car Park for over 30 minutes, charges will accrue as per § 9 of this document.

§16

Drivers are required to exercise care in parking clearly within the marked parking spaces so as not to damage neighbouring vehicles.

§17

1. Parking is not permitted:
 - a. in front of the Katowice Airport passenger terminal,
 - b. in bus zones,
 - c. in marked shuttle bus zones,
 - d. in marked taxi and rent-a-car areas,
 - e. in front of Airport Security offices,
 - f. on pedestrian crossings,
 - g. on airport approach roads, on other roads with appropriately marked signs prohibiting parking or marked road surface
 - h. in dedicated car park spaces, unless authorised. Authorised vehicles receive an "Official Business" card to place behind the windscreen.
 - i. in places in which the parking of the vehicle could alter the flow of traffic or endanger vehicles or pedestrians or their possessions.

§18

1. Wheel clamps will be employed to immobilise vehicles parked in unauthorised places, as listed in the current document. When the parking fine has been paid in full, the blockades will be removed. Should illegal parking by said customer continue, Police will be notified
2. Instances in which the terms and conditions stated in the current document are not adhered to, wheel clamps will be employed to immobilise these vehicles. A note will be placed under the windscreen wipers alerting the driver that they are "parking in

unauthorised place", together with a contact telephone number. Blockades will be removed when the fine for parking in an unauthorised place has been paid in full. Continued parking in unauthorised areas will result in Police services being notified and vehicle owners being punished to the full extent of the law.

3. A vehicle owner who violates the terms and conditions stated in this document, expresses consent for the employment of wheel clamps on the vehicle in question.
4. Should a vehicle be parked illegally and be deemed to pose a threat to security, GTL reserves the right to tow away infringing vehicles to a place selected by GTL. Towing charges will be paid by the vehicle user and may result in the vehicle being refused entry into the Car Park.

§19

In cases of emergency, all barriers and boom gates will be opened upon the alarm being sounded. Car park staff will assist in directing emergency services to the site of the emergency.

§20

Repairing, washing, vacuuming, changing radiator fluid, petrol or car oil, as well as polluting the Car Park in any way is prohibited.

§ 21

Vehicle owners will be held responsible for all damages caused to management or third parties on the grounds of the Car Park.

§ 22

All complaints and comments regarding the functioning of the Car Park should be addressed to the Katowice Airport Infrastructure Department (Administration ph: +48 32 392 7167, +48 32 392 7311, Car Park Operator ph: +48 32 392 7189, or +48 32 392 7469).

§23

All damage to vehicles must immediately be reported to the Police station (+48 32 39 27 228) and Car Park staff (+48 32 39 27 189).

§24

These terms and conditions are valid from 1st January 2010 and ratified by the GTL Management GTL (no. 29/XII/2009) dated 30.XII.2009.
